RESOLUTION-J #12

RELATING TO ENHANCING THE ARMY AND AIR NATIONAL GUARD BY PROVIDING SUPPORT FOR  
THE COUNTERDRUG PROGRAM

**National Guard Counterdrug Program**

The National Guard Association of the United States supports:

- A. The unmatched successful partnership between the National Guard and local, state and federal law enforcement inherent in the National Guard Counterdrug Program. This partnership, executed under USC Title 32 Chapter 112 allows National Guard soldiers and airmen to protect and secure our communities, states, and the nations in support of our brothers and sisters in law enforcement. (2014)
- B. To allow for more effective planning and execution, providing a minimum of \$200 million dollars in annual funding to National Guard Counterdrug Program State Plans. Furthermore, Congress should fund the National Guard Counterdrug program state plans with a distinct line item in the Department of Defense Counternarcotics Central Transfer Account (CTA), and not as project code (PC7403). Setting a minimal level of baseline funding and distinct line items in the appropriations will stabilize this critical homeland defense mission and will ensure Congressional intent is executed once appropriated. (2014)
- C. To allow for more effective planning and execution, providing a minimum of \$20 million in annual funding to National Guard Counterdrug (NGCD) Training Centers. Furthermore, congress should fund NGCD Training Centers with a distinct line item in the Department of Defense Counternarcotics Central Transfer Account (CTA), and not as a project code (PC 7415). Setting a minimum level of baseline funding and distinct line item in the appropriation will stabilize this critical homeland defense mission and will ensure congressional intent is clearly executed once appropriated. (2014)
- D. Enhancing the National Guard Counterdrug Program USC Title 32 Chapter 112 with language that more appropriately addresses the expanded threat to our nation from Transnational Criminal Organizations (TCOs). (2014)
- E. Codifying in law the National Guard Counterdrug Schools mission to include COCOMs, military to civilian, military to military, and civilian to civilian, but not at the expense of traditional Law Enforcement Agency customers.
- F. Amending public law Section 1004, 1991 National Defense Authorization Act (P.L. 101-510), to change additional support for Counterdrug activities language from “may” to “shall” ... “the Secretary shall provide support to Counterdrug schools to train local, state, federal, tribal law enforcement, and community-based organizations using subject matter experts and the most cost-effective means possible to include contracting services consistent with DOD practices.”
- G. Changing the law to allow the availability of annual congressionally-appropriated National Guard Counterdrug funds to change from one year to two years. (2016)

- C. Establishing in each state and the District of Columbia, National Guard Cyber Security Incident Response Teams to perform analysis and protection in support of programs to prepare for and respond to emergencies involving an attack or natural disaster impacting state critical infrastructure and key resources. (2015)
- D. Implementing a comprehensive campaign to begin protecting mobility (MAF), combat (CAF) aviation and Air Operations Center (AOC) assets from cyber threats by:
  - 1. Proper "hygiene" practices involving connection of aviation platform, aviation equipment, avionics and support equipment to non-hardening (trusted) computer networks.
  - 2. On-aircraft monitoring of cyber threats using already fielded, proven cyber harden techniques involving aircraft interfaces.
  - 3. Command-wide cyber awareness training that communicates importance of proper hygiene practices and provides basics of cyber-attack methods. (2016)
- E. Providing additional full-time staffing authorizations to build the Defensive Cyber Operations Element (DCOE) in order to provide robust full time manning to conduct network defense. (2017)
- F. Providing National Guard JFHQs and units with industry-leading Next Generation Firewall (NGFW) products to better protect the confidentiality, integrity, and availability of information from cyber threats and attacks. (2018)
- G. Providing National Guard JFHQs and units with industry-leading cross-domain products to facilitate collaboration and critical information sharing between various security domains with improved efficiency and security. (2018)
- H. Instituting assignment incentive pay for National Guard Cyber personnel. (2019)
- I. Increased manning in Full Time Force as it relates to the Cyber Readiness of GuardNet and the functions related to ensuring mission command systems are operational and secure. (2019)
