Additional Provisions

Sec. 8019. Provides a limitation on funds being used for the relocation of any Department of Defense entity into or within the National Capitol region.

Sec. 8045. Prohibits the use of funds to reduce authorized positions for the military technicians (dual status) of the Army National Guard, Air National Guard, Army Reserve, and Air Force Reserve unless such reductions are a direct result of a reduction in military force structure.

Sec. 8047. Provides for reimbursement to the National Guard and reserve when members of the National Guard and reserve provide intelligence or counterintelligence support to the combatant commands, defense agencies and joint intelligence agencies.

Sec. 8053. Provides conditions for the use of equipment of the National Guard Distance Learning Project on a space-available, reimbursable basis.

Sec. 8059. Provides for the use of National Guard personnel to support ground-based elements of the National Guard Ballistic Missile Defense System.

Sec. 8061. Provides for a waiver by the Chief of the National Guard Bureau or his designee for all or part of consideration in cases of personal property leases of less than one year.

Sec. 8102. Prohibits funding for moving National Guard missions, functions, or personnel to the Space Force in contravention of current law.

Sec. 8164. Prohibits funding for the divestiture or prepared divestiture of F-15 aircraft.
