TO: States, Territories, and District of Columbia

FROM: Nevada National Guard Association

SUBJECT: Hosted Purple Resolve Training 17-18 AUG 2023, Reno, Nevada

The Nevada National Guard Association (NVNGA) in conjunction with PTSD NOW! is extending an opportunity for 25 Company Grade Officers to attend a hosted Purple Resolve Training in conjunction with the 145th National Guard Association of the United States (NGAUS) General Conference. All expenses will be covered for members attending, except for travel. Covered costs will include two nights at your states conference hotel and food vouchers for meals.

The Purple Resolve educational process provides foundational leadership development for 21st Century Guardsmen. This process closes the gap between how guardsmen are traditionally trained (from basic training to retirement) and what is required of members to effectively serve and meet the demands of the armed forces while remaining faithful, healthy, and resilient. Designed for all levels of the organization, it promotes and nourishes the mental, physical, spiritual, and emotional well-being and overall health of its members.
