INDEMNIFICATION AND INSURANCE

Section 10.01 – Indemnification

(a) The Association shall indemnify any person who was, or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he is, or was, a director, officer, employee or agent of the Association, or is, or was, serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if such person acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the Association, and with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful.

(b) Indemnification shall be made only if the Association shall be advised, in case of none of the persons involved shall be or have been a director, by the board of directors of the Association, and otherwise by independent counsel to be appointed by the board of directors, that in its or his opinion such director, incorporator, or officer was not guilty of gross negligence or

willful misconduct in the performance of his duty, and in the event of a settlement, that such settlement was or is in the best interest of the Association. In the event the determination is to be made by the board of directors, it may rely as to all questions of law on the advice of independent counsel. In addition, such director, incorporator or officer shall have such rights to which he may be entitled under any by-law, agreement, vote of members, or otherwise.

(c) All claims for indemnification by a party entitled to be indemnified hereunder (an "Indemnitee") to the Association (for purposes of this Article X, the "Indemnitor") shall be asserted and resolved as follows:

(i) In the event that any claim or demand for which an Indemnitee may claim indemnity is asserted against or sought to be collected from the Indemnitee by a third party, the Indemnitee shall notify the Indemnitor within 45 days following the receipt by the Indemnitee of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof to the extent then feasible (which estimate shall not be conclusive of the final amount of such claim and demand) (the "Claim Notice"). Failure of an Indemnitee to so notify the Indemnitor within such 45-day period shall not relieve the Indemnitor of its obligation to indemnify the Indemnitee for such claim or demand unless the delay in giving notice of such claim or demand in fact materially prejudices (i) the defense of such claim or demand where the Indemnitor has the right to control such defense or (ii) participation in the defense of such claim or demand where the Indemnitor has a right of participation. Any party hereto against whom a claim or demand is asserted by a third party shall, without prejudice to any right of indemnification hereunder, appropriately respond to such claim or demand (whether by answer, denial, request for extension of time or other action) to such claim or demand within any applicable time period, so as to preserve any rights or remedies it or any other party may have against the person making such claim or demand.

(ii) The Indemnitor shall have thirty (30) days from the date on which the Claim Notice is duly given (the "Notice Period") to notify an Indemnitee (i) whether or not it disputes the liability of the Indemnitor to the Indemnitee hereunder with respect to such claim or demand and (ii) whether or not the Indemnitor desires, at its sole cost and expense, to defend the Indemnitee against such claim or demand. If the Indemnitor does not notify an Indemnitee within the Notice Period that it disputes its liability to the Indemnitee, the Indemnitor shall be liable for the amount of any resulting Losses.

(iii) In the event the Indemnitor notifies an Indemnitee within the Notice Period that it desires to defend the Indemnitee against such a claim against or demand from the Indemnitee, then except as hereinafter provided the Indemnitor shall defend, at its sole cost and expense, the Indemnitee by appropriate proceedings, shall use its best efforts to settle or prosecute such proceedings to a final conclusion in such a manner as to avoid any risk of the Indemnitee becoming subject to any injunctive or other equitable order or relief or to liability for any other matter, and shall control the conduct of such defense; provided, however, that the Indemnitor shall not, without the prior

written consent of the Indemnitee, consent to the entry of any judgment against the Indemnitee or enter into any settlement or compromise which does not include, as an unconditional term thereof, the giving by the claimant or plaintiff to the Indemnitee of a release, in form and substance reasonably satisfactory to the Indemnitee, from all liability in respect of such claim or litigation. If the Indemnitee desires to participate in, but not control, any such defense or settlement, it may do so at its sole cost and expense.

(iv) Prior to the Indemnitor's settling any claim or demand the defense of which it has assumed control, the Indemnitor shall obtain the Indemnitee's approval, confirmed in writing in accordance with the notice provisions hereof, which approval shall not be unreasonably withheld or delayed. If an Indemnitee notifies the Indemnitor of its disapproval of such settlement, the Indemnitee shall thereupon become liable, from and after the date of its disapproval, for the amount of any award, judgment, costs or expenses (including attorney fees) in excess of the proposed settlement amount and shall have the right to elect to control the defense of such claim at its sole cost and expense.

Section 10.02 – Insurance

The Association may, as the Board may direct, purchase and maintain such insurance on behalf of any person who is or at any time has been a Director, Officer, employee or other agent of or in a similar capacity with the Association, or who is or at any time has been, at the direction or request of the Association, a Director, Officer, administrator, manager, employee, member, advisor or other agent of or fiduciary for any other Association, partnership, trust, venture or other entity or enterprise including any employee benefit plan against any liability asserted against and incurred by such person.

ARTICLE XI

AMENDMENTS

Section 11.01 – Amendment by Two-Thirds Vote

- (a) The Articles of Incorporation and these By-Laws may be amended at a General Conference of the Association by a two-thirds vote. An amendment may be proposed by the Board, a state or a member of the Association and shall be submitted in writing to the Chair of the Association at least ninety (90) days prior to the date set for the convening of the conference at which the proposed amendment is to be considered.
