Dear Majority Leader Thune, Minority Leader Schumer, Speaker Johnson, and Minority Leader Jeffries,

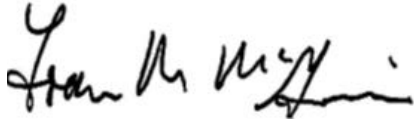

On behalf of the members represented by our respective organizations, and the more than one million members of the Reserve Component, we respectfully urge you to swiftly ensure military pay and readiness by ending the current government shutdown.

Immediate action is required to ensure our servicemembers can continue to fulfil their roles and protect the homeland. On September 29th, our respective organizations submitted a joint letter which outlined the detrimental effects of a Continuing Resolution (CR) and the severe consequences of a government shutdown on the total force. Since then, drills have been canceled, and training schedules have been adversely impacted for the year.

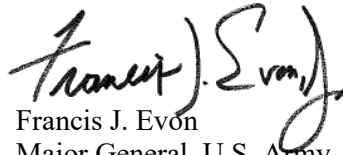

While negotiations continue for the CR, servicemembers are projected to miss their initial paychecks on October 15th. This will impose undue hardship on both servicemembers and their families. If a successful conclusion to the current shutdown cannot be reached, we respectfully request prompt consideration and passage of H.R.5401 – Pay Our Troops Act of 2026, to provide the necessary funding to support our nation's Armed Forces.

We appreciate your consideration of this critical issue for our Soldiers and Airmen as they fulfill their role as the nation's primary combat reserve. Thank you for your continued support of the National Guard and Reserve.

Sincerely,

Francis M. McGinn
