Disability Income Insurance*

What is Disability Income Insurance?

Disability Income Insurance is designed to protect one of your most important assets ... your income and ability to meet your financial obligations when you are unable to work due to being totally disabled. National Guard Technicians under age 60 are eligible for affordable group rates ... and this coverage can be paid through payroll deduction.

This disability insurance helps replace lost income if you are disabled as defined in the policy ... so you and your family can go on with life. You can get up to \$1,100 per month from the Basic disability plan depending on your salary. These benefits begin after 30 consecutive days of disability ... and continue for up to 10 years for a disability due to an accidental injury and for up to 3 years for disability due to sickness. You are guaranteed acceptance into this plan if you apply within 31 days of your employment. Thereafter, your insurability must be approved by the insurance company.

Supplemental disability provides up to an additional \$1,400 per month based on your salary. Supplemental benefits begin after 60 days of continuous disability (if you are under age 40) or after 90 days of continuous disability (if you are age 40 or over) ... and continues as long as 10 years for accidental injury and up to 3 years for sickness.

Two months of disability benefits may be paid to you ... if you lose your job as a Technician because you can't meet medical retention criteria of the National Guard even though you may not otherwise qualify for disability income benefits.

What is Term Life Insurance?

Term Life Insurance allows you affordable protection during your working years when financial obligations are usually the greatest. The National Guard Term Life Insurance Plan is available to you, the Technician, plus optional coverage for your spouse and children. Coverage can be purchased from \$25,000 up to \$250,000. This protection can be continued up to age 70, even if you are no longer a Technician.

Here is how the plan can benefit you and your family:

- ★ Apply for coverage from \$25,000 to \$250,000 for you and/or your spouse.
- ★ You are guaranteed acceptance up to \$50,000 of insurance coverage into this plan if you apply within your first 31 days of employment. Thereafter, your insurability must be approved by the insurance company. Evidence of insurability satisfactory to the insurance company must be provided to obtain spouse coverage.
- ★ There are no war or aviation exclusions to life insurance protection. Your family will receive the benefits even if you die while flying or while involved in armed conflict.
- ★ Keep your coverage up to age 70, even if you are no longer a Technician. You may continue your insurance in scheduled amounts up to age 70, regardless of whether or not you retain your Technician status.
- ★ \$5,000 benefit will be paid within 24 hours of notification of death. (Not available in Texas.)
- ★ A special additional benefit is paid for accidental death while you're on paid State Active Duty. Your family could receive an extra \$50,000 benefit if you die because of an accident while you're on State Active Duty. This covers all State Guard duty ... even as an aircraft crew member.
- ★ You can pay for the plan on payroll deduction. This extra feature makes the plan even more convenient.

About Disability Income Insurance Recurring Disabilities are Covered

If you are disabled due to the same sickness or injury, you can still receive full benefits under this plan as long as the incidents are separated by less than 90 consecutive days of active, full-time employment.

Definition of a Disability

You will be considered totally disabled if you become disabled as a result of injury or sickness and such injury or sickness requires regular treatment by a qualified physician, other than yourself. “Total Disability” means until you have qualified for monthly income benefits for 12 months, you are unable to do the essential duties of your **own** occupation. “Total Disability”, after the first 12 months during which you qualified for monthly income benefits, means you are unable to work at **any** occupation you are or could reasonably become qualified to do by education, training, or experience. Total disability must occur while you are insured under this plan. If you can’t work as a Technician because you fail the physical exam of the National Guard you will not automatically qualify for benefits.

Definition of Injury or Sickness

Accidental injury means bodily injury arising from an accident, which causes your total disability. All injuries sustained in connection with one accident will be considered one injury. If you are injured in an accident, but do not become totally disabled because of your injury for more than 180 days, the disability will be treated as a sickness. Sickness means any

covered physical or mental illness which causes your total disability.

Mental or Nervous Conditions

To collect total disability benefits for mental or nervous conditions, or alcoholism, you must be continually confined in a hospital or treatment facility specializing in treatment of those conditions.

If “Total Disability” is due to treatment of a mental or nervous disorder, or alcoholism, the insurance company will, while you are “Institutionalized,” pay the applicable Disability Benefit commencing with the first day after the day you are “Institutionalized,” whichever is later.

In no event, shall the Disability Benefit be payable for any period beyond the maximum period for sickness as stated in the Schedule of Benefits.

“Institutionalized” as used herein means while you are confined as a resident patient in (1) a legally constituted hospital, (2) an institution specializing in the care and treatment of mental and nervous disorders, or (3) an institution specializing in the care and treatment of alcoholism, and while you are under the care of a licensed physician or surgeon.

Pre-Existing Conditions

A pre-existing condition is any condition for which you have consulted with a physician, or have received medical treatment or services, or have taken prescribed drugs or medicine prior to the effective date of your insurance. Benefits will not be paid for a total disability caused by a pre-existing condition unless:

1. You have gone 90 consecutive treatment-free days, completed on or after the effective date of this insurance;
2. You have been insured by this plan for 12 months.

In no case can the disability begin prior to the effective date of your insurance.

Exclusions

Benefits are not payable for disabilities resulting from:

1. Intentionally self-inflicted injuries;
2. Act of war, declared or not;
3. Active Duty in Federal Service lasting more than 30 days or service in the Armed Forces of a foreign or international authority;

4. Accidents or sickness for which you are eligible for Workers' Compensation or similar coverage;
5. Mental or nervous conditions, alcoholism, except as specifically provided in the policy;
6. The use of any narcotic, unless administered on the advice of a physician.

Notices

1. This is a brief outline of plan specifics and is not a contract of insurance. All coverage is subject to the terms and conditions of the policy.
2. All experience credits declared as a result of participation in the NGAUS Insurance Trust, after payment of Trust expenses, shall be paid to the National Guard Association of the United States or The National Guard Educational Foundation, as determined by the NGAUS Insurance Trust.
